## THE HILLTOPPER

of Thomas Carr Howe High School, Indian-

apolis, Indiana, presents our school, our activities, and our classmates in a review of the 1946-47 school year. We 1322 Howettes have in the HILLTOPPER a memory

book of this year at Howe, bringing back to us the tremulous thrill of our formal dances; the fun of after-school activities; our exhilarating excitement at basketball games; or the glow of pleasure we felt when enjoying our theatrical performances.

This HILLTOPPER is a review of the past to keep for the future.

So really sweet gal. I'd like to set to know you better. Best of luck always. Carol Newcomer HUBS DATAS

Dear Mr. [unclear]  
 I have just received  
 your letter of the 10th inst.  
 and am glad to hear  
 that you are well.  
 I am well and hope  
 this finds you the same.  
 I have no news to write  
 at present.  
 Yours truly,  
 [Signature]

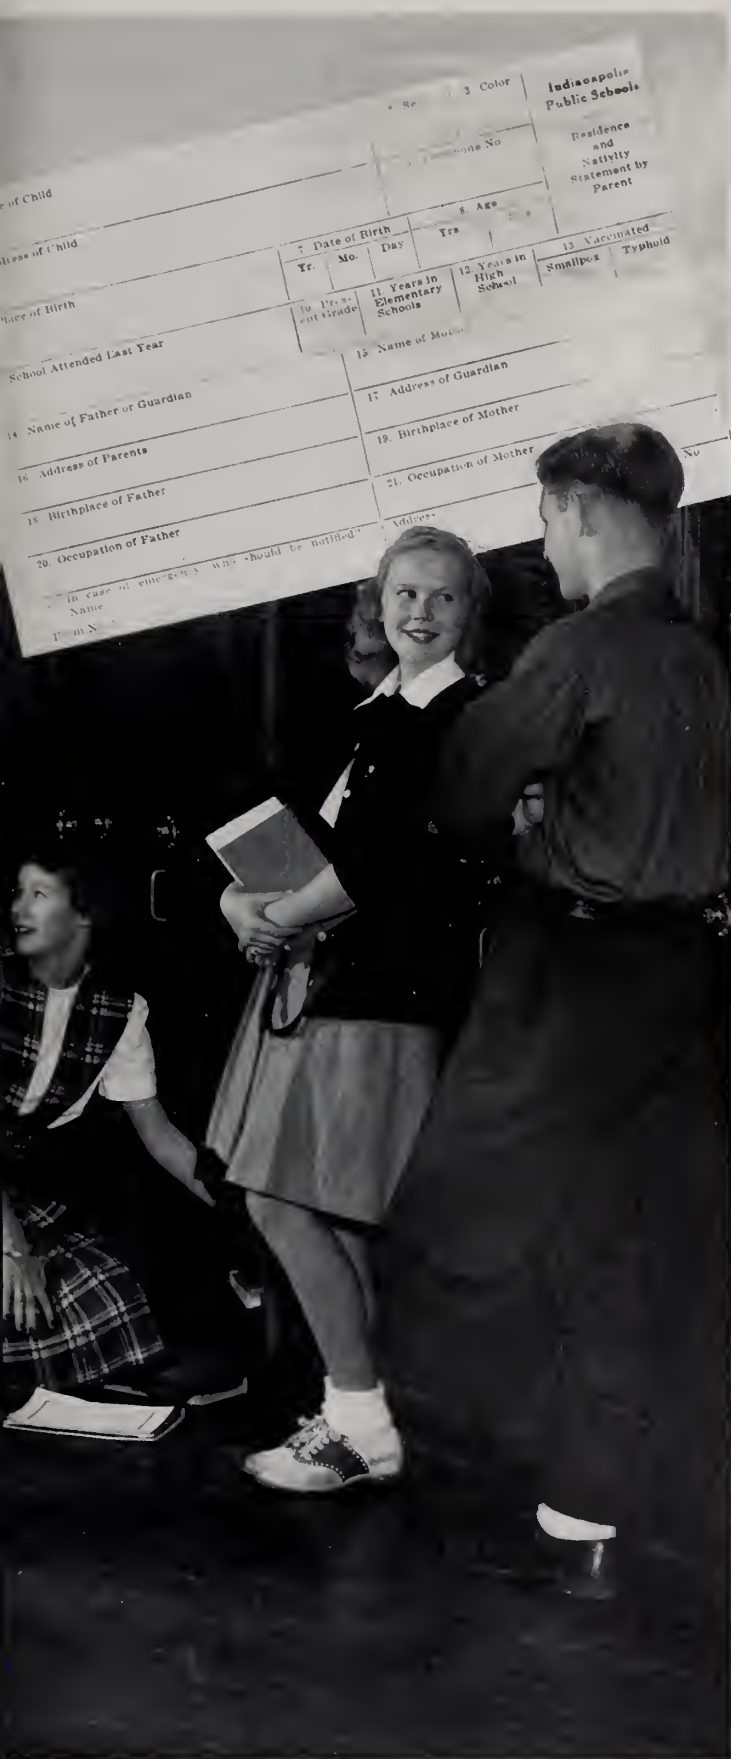

When we enrolled in Howe last September, our first job was to dust the cobwebs from our lockers, and set up housekeeping for another school year. Halls once more were brightened by new fads and "joe" language, which only we could understand.

Our principal, Mr. Charles MacKay Sharp (left), ably assisted by Mr. Clarence R. Clayton, the deans, and the office force, competently handles the business affairs of the school. His quiet humor and understanding nature have made him a friend to teachers and pupils alike throughout his nine years at Howe.

LEFT (left to right): Mr.

principal.

you at Rosemead  
Christmas.*

Academically our education is broadened by English, foreign languages, social studies, mathematics, and sciences. We ponder the question of whether to sit or to set, to lay or to lie, and learn to "parlez" to the music of "amo, amas, amat," or "hago, haces, hace." Our future statesmen prepare for government in the Atomic Age, while those of us who are planning careers similar to Einstein's, wrestle with the problems of "trig" and solid geometry, and our scientists are initiated to the odors of hydrogen sulphide and formaldehyde. This valuable material is giving us a background of yesterday in preparation for tomorrow.

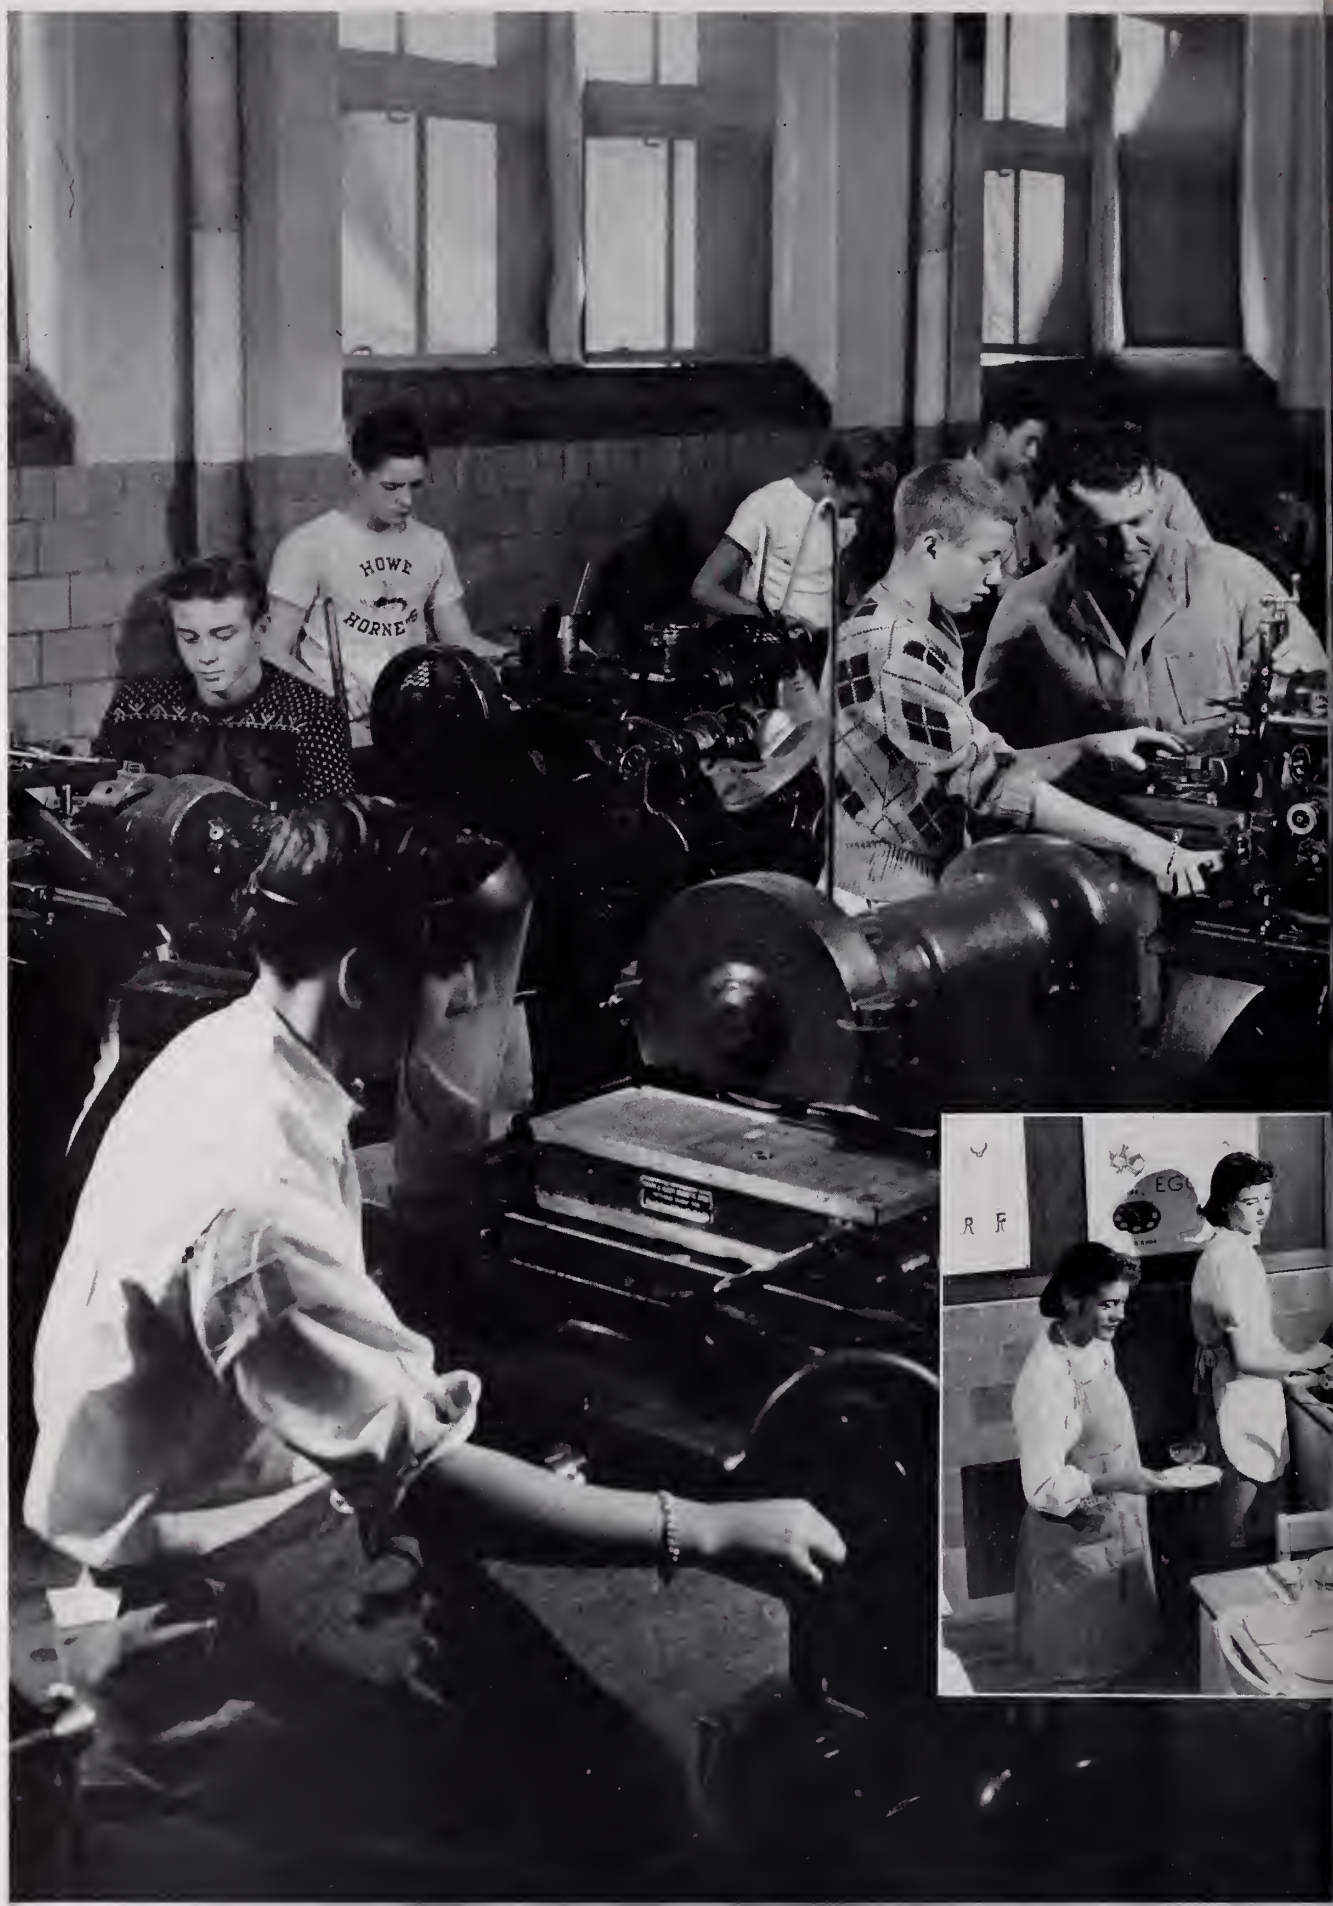

Our study of the fine arts not only provides us with a background for the future but also with many pleasant hours among the classics. The commercial artists prepare to outline the advertising campaigns of tomorrow, while our fashion editors of the next decade concoct even more fabulous fashions. We Howeites who have music included in our repertoire enjoy classes of music appreciation or the vocal and instrumental organizations. Through these fine arts we develop culture, as we learn to use our talents more skillfully.

For those with keen minds and sensitive fingers there is the program of industrial arts. Out of its classes come the craftsmen of tomorrow, workers in wood, metal, and type. For those of us who wish to enter the marts of trade, there are secretarial courses, typing, shorthand, and business. These studies develop a pride in accuracy and neatness in our business men and women of the future. Those of us who look forward to careers in homemaking find fascination in the preparation of well-balanced meals and in the art of sewing. In these subjects, Howe is a training station for tomorrow.

No one who attended Howe in the fall of 1946 will have forgotten the loss of our beautiful trees and the piles of logs that were the result of the splurge of tree cutting. The trees had Phloem Necrosis—a disease—and in order to save the other beauties on the campus, the diseased had to be cut down. Now at the side of our gym door we discover, not logs, but new trees. Although these trees are but saplings now, within the next generation they will have grown stately and strong, thus ably representing the war dead of Howe in whose honor they have been planted.

*Lots of happiness  
to a sweet kid.

Howe's Don Coval and Franklin's Jerry  
Crossman vie for the ball in the opening  
jump in the Howe-Franklin game.

"Two bits, four bits, six bits, a dollar!"—can be heard coming from the gym or gridiron at TCHHS almost any Friday or Saturday during the football, basketball, or track season. Enthusiastic spectators, and determined players maintain Howe's reputation of good shortsmanship in Indianapolis sports circles.

# THE FOOTBALL SEASON AT HOWE

Only three returning lettermen, Jack Johns, George Spradling, and Jack O'Neel, journeyed to Frankfort, Indiana, with the rest of Howe's grid team for the initial game in our fourth football season. The "Hot Dog" boys were met by a fighting-till-the-gun Howe eleven, and at the close of the game the score stood at the 0 to 0 mark. Howe fans groaned when a clipping penalty was called on the Hornets, after half-back Johnny Edwards had completed a long pass to Roger Kennedy, end, who crossed to pay dirt. Fullback Jack Johns led the Hornets' sting, when he scored two touchdowns in the third quarter in the Howe-Manual encounter on September 27. Both attempts for conversion failed, and the Redskins were triumphant by a score of 13-12 in one of the most disappointing games of the season.

Another tie, 0 to 0, was the score of the Howe-Westfield game, though the Hornet footballers really outplayed the opposing eleven. Westfield muffed an excellent chance when Ballard

Clark of the Shamrocks couldn't hold on to the leather passed to him on Howe's three yard stripe. For the second year Howe bested badly the Giants of Ben Davis; this year found the scoreboard appearing 20-0 for the Hornets at gun time. It happened first on the purple and white three yard line. A punt from the Giants was blocked by our gridsters, and Roger Kennedy fell on it in the end zone. The Hornets'

golden toe, Jim Stutz, converted for the extra point. In the fourth quarter Dick Baker made a beautiful run with a Ben Davis punt to the Giants' eight, and Jack Peaslee crossed for another touchdown on the very next play.

Southport rooters donned their mourning clothes after Howe defeated the Cardinals' eleven 7 to 6. An aerial attack forced the Southport team far into their own territory, and when the hosts punted, it was recovered by Howes' Vermillion who crossed to tie the score. Repeating many past performances, Jim Stutz gave us that vital winning point. Falling for the first time against the Howe rough and ready forward wall were the Warren Central Warriors. Bob Woods scored first, and a pass was made from Edwards

to Bill Locklear who made the goal untouched. Sacred Heart fell next in Howes' winning streak, but she was destined to be our team's last victory.

In the closing two games Howe lost to the Silent Hoosiers 7-0 when veteran Frank Kaiser crossed for the only touchdown of the game; in the final game the Hornets couldn't swallow the bitter pill offered to them by the Ripple Rockets, and we were beaten 19 to 0.

Two T. D.'s each placed Roger Kennedy and Jack Johns in the high point men positions. Jack O'Neel, center of the Howe team, was awarded the 400 Club's most valuable player award for 1946.

Coach Tom Stirling's reserve football team won four out of five encounters to garner an eighty per cent average for 1946. On October 3 the reserve gridmen staged a 14-12 defeat over Broad Ripple. South Side Manual looked easy prey, a fact which proved to be true when the Howeites scored 13 points to the Redskins' 0. Warren Central came next on the list to be mowed down, and this time a score of 26-6 was recorded. On October 28 the Hornets, meeting the Southport Cardinals, carried home a decisive 12-0 victory. Then the four game winning streak that our reserves had built was broken by a 15-6 score in their last encounter with Washington.

Freshman football Coach Roscoe Pierson's footballers failed to win but one encounter out of five in their 1946 schedule. After a disappointing season in which they met stronger, more balanced city teams, they ended their schedule on a more promising note by defeating the Warren Central boys 12-0. In their first goal battle with the Ripple Rockets, the Hornets found themselves seven points short at the end of the game. Manual was next to vanquish our Frosh 7-6, and then we faced a sturdy Southport eleven which overcame us 13-6. Our last contest was a crushing defeat of 19-0 administered by the Continentals of Washington.

Coach Elwood Yeager conducts an orderly practice in which Arlen Risley, Jim Stutz, Don Coval, Elmer Summitt, and Hugh Moreillon participate.

# B A S K E T B A L L 1 9 4 6 - 4 7

The sting of that most popular of all Hornets, the basketball hornet, became coached in the 1946-7 season by Mr. Elwood Yeager who returned to the Howe coaching staff after five years of service in the United States Army Air Forces. Coach Yeager replaced Mr. Lewis Gilfoy, now serving on the Butler University faculty, who had coached a more than successful version of Howe basketball for six years.

The '46-'47 squad faced teams which were rated among the very top in the state, and therefore, the Hornets lost more encounters than they won (7 wins, 9 losses). For the first time in Howe's history it was found that all members of the team worked equally well together, and therefore Coach Yeager employed the entire team instead of the customary first five players.

On November 30 the Hornets flew Technical High School's way to engage them in battle and Tech was subdued 36-33. At the half mark of

the game Howe led 19-9; though the "Big Green" rallied in the second half they were stopped by the united efforts of our cagers. The Hornets were definitely on the move as they vanquished the Washington Continentals 34-28 and the Ripple Rockets 43-32. Our team suffered its first loss at the hands of an accomplished Franklin team and its second the next evening to Ben Davis who edged us in the fourth quarter of the game. Greenfield fell easily when Howe put on the steam to blast their hopes 46-28.

The Howe Holiday Tournament with Howe, Bedford, Jeffersonville, and Broad Ripple participating was held for the second consecutive year and our Hornets drew the tough Bedford Stonecutters which were rated as the state's third best team. We dropped this game by a 34-28 score but took the consolation game away from Broad Ripple to the tune of 46-41.

A low ebb of the season was reached on Jan-

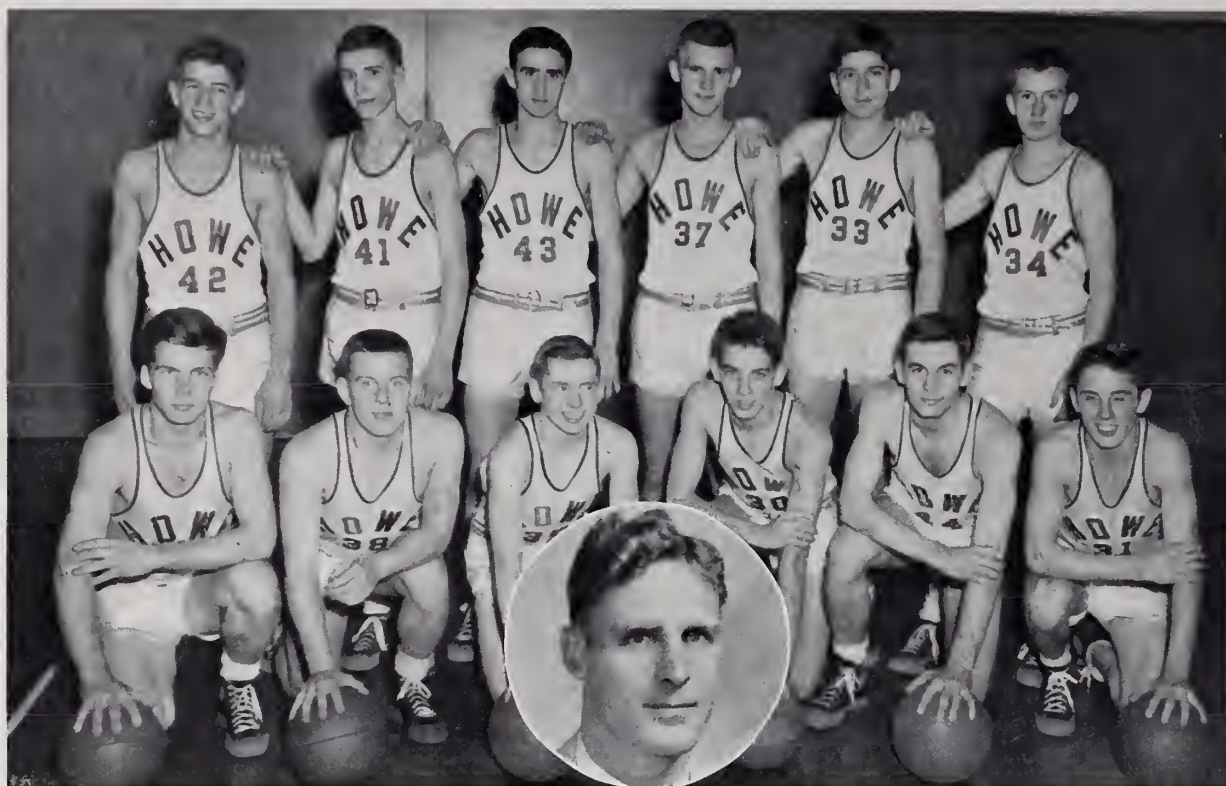

Elmer Summitt, Don Coval, and George Spradling watch Hugh Moreillon shoot for a foul. It is the Broad Ripple-Howe game in which Howe won 43-32.

George Spradling and a Lawrence Central man vie for the ball while Hugh Moreillon, 33, approaches, and Carl Spiess, 40, prepares to give his aid.

uary 11 when our squad lost both to Lawrence Central and Shortridge. The Hornets journeyed to Columbus next, and because the Bulldogs possessed a really outstanding team, we were downed again and this time the ledger read 62-40. We righted an earlier wrong by defeating Lawrence Central 47-26, but this was followed by another defeat by the hands of the strong Shortridge Blue-Devils (score 33-30). A surprising victory was gained over Bloomington on January 31 followed by the maddening defeat that Cathedral waged over us with a 30-29 score. Perhaps the strongest team we faced and the most polished was Garfield of Terre Haute. They served us a crushing defeat of 65-30. Howe tired of this so they edged Southport 41-40. The season ended in a slump when we lost our last three games to Shelbyville, Warren Central, and Manual, respectively.

Led by our pepful cheerleaders Howe backed its 1947 sectional team to the utmost. The game was nip and tuck the entire four quarters. At the first quarter buzzer the score stood an even 13-13, but at the half the Warriors led the Hornets by a three-point margin (23-20). Hugh Moreillon, George Spradling, and Johnny Edwards scored to place Howe ahead at different intervals in the last half. But when the deafening crack of the final gun sounded Howe was trailing by one point. The Warren Central team had defeated us 36-35. It was a very crushing defeat for all Howeites, both team and students.

The Howe Reserve team coached by Mr. Wathen Leasor won 12 encounters and lost 5. The team seemed and proved itself very well balanced. The Freshmen team lost its first five games but finally found its footing and won the last seven games scheduled in their season. The team is coached by Mr. E. Franklin Fisher.

Ably led by Norman Dixon and Dave DeWitte, the 1946 edition of the East Side spikesters broke the tape twice in the annual state track meet May 25 at Tech to place Howe in eleventh winning position. Norm Dixon running a swift 880 by-passed Bob Warfield of Lincoln (Evansville) to win the event in his lowest time of the season, 2:03.2 DeWitte recorded 4:30.7 to win the state's mile contest from defending champion Jerome Jefchak of Hammond Tech. Howe's spike team lost their coveted sectional crown to a strong Manual aggregation, but placed second in the contest with 20  $\frac{2}{3}$  points to Manual's 43 marks.

Don Goodwin, Don Raftery, Norman Dixon, and Dave DeWitte, who composed the speedy medley relay team, took first place in the Indianapolis Relays held at the Tech oval. In running the mile in this relay, DeWitte was clocked at 4:37.5 which lowered the previous medley time to 11:06.1 knocking 18 seconds off last year's time.

Dual meets found the thinlies skipping the

traces to win three meets with Southport, Ben Davis, and Lawrence Central. In a tri-team meet with Washington, and Gerstmeyer of Terre Haute, Howe took second berth, and the remaining six dual meets were lost to stronger city competition.

May 6, and the city meet rolled around once again. Although DeWitte placed second in the mile event and Dixon took fourth in the 880 yard contest, the team garnered only 10 points while Tech bagged a grand total of 64  $\frac{1}{3}$  to win first place.

Seventy-seven points placed Dave DeWitte's name in first position for the '46 season's high point man, and Norman Dixon followed hot on his heels with 72. Dave also secured the Dyer award for the best mental attitude of the year and he shared the captainship of the team with Bob O'Neel. The most valuable player award was presented to Norman Dixon. Other leaders in points were: Jack Johns, Carl Spiess, Don Goodwin, Jack Shaffer, and Don Raftery.

FRONTROW—Jack Wellman, Paul Grove, Don Raftery, Russ Corey, Tim Hunter, Chuck Copeland, George Harris.

BACK ROW—Bill Welch, John Lofton, Edward Koeppe, Dave Booram, Ronald Banks, Bob Stuck, Don Brown, Coach Ray W. Bowman.

Howe's Jack Wellman, who ended up third, leads the pack at the half-way mark with City-Champion George Harris the shirtless Hornet in second. Broad Ripple and Shortridge runners hold third and fourth places.

# CROSS COUNTRY -- GOLF

Cross-country made a triumphant entrance when Howe defeated the harriers from Lawrence Central, 15-40. Tech was also drubbed by an identical score. Manual, Broad Ripple, Warren Central, Crispus Attucks, Shortridge, and Washington fell before the Hornet spikesters before the season ended. Only Anderson's state champs were able to defeat the Brown and Gold runners.

Broad Ripple dimmed Howe's hopes for a city championship as the Hornets placed second for a fourth consecutive year. Individual honors were taken by Howe's own George Harris in the time of 10:00.7, just 11.1 seconds off Dave DeWitte's record. Dave Rouse, Broad Ripple, outsped Jack Wellman, Hornet freshman, for second. Bill Benz, Tech, second last year, had to settle for fourth and Don Thomas of Shortridge rounded out the top five. Other Brown and Gold runners were Don Raftery, ninth, Russ Corey, twelfth, Chuck Copeland, seventeenth, and Dave Cook, nineteenth in the field of forty-two.

Senior George Harris, in addition to his city victory, sped to five firsts, and two seconds to lead Howe. Jack Wellman carried off second honors by virtue of his two firsts, five seconds, and a third. Other outstanding distance aces were seniors, Russell Corey, Chuck Copeland, and Elmer Summitt; junior, Don Raftery; and sophomore, Dave Cook.

Our Hornet turf diggers launched their 1946 campaign by thumping Columbus 14½-½. Next came a victory over Broad Ripple and Shortridge in a triangular meet. By checking Tech, 23-13, our golfers gained statewide recognition. Shortridge came back and got a dose of the same medicine to the tune of 25-14 in a match shortened to 10 holes. Ronald Roach came up with the round of the season when he turned in a brilliant 76 in pacing Howe to its second win over Columbus, 20½-7½.

Howe was forced to settle for second place in the City-County when Tech came up with a four-man total of 316, followed by Howe, 334, Shortridge, 370, and Lawrence Central with 387. Ted Skillman led the Hornets with an 81. Howe journeyed to Crawfordsville next and overwhelmed the host school, 9½-2½.

Howe placed sixth in the state tourney as Tech nosed out Wiley of Terre Haute by 4 strokes with a team total of 320. Our Hornets compiled a score of 334.

The standard bearers of the Brown and Gold remained undefeated in dual and triangular competition as Ronnie Roach's 83 average led the Hornets.

When you see a Howeite with a block H, you know he is not an ordinary guy. Each and every one of these athletes has earned his letter by playing in half the basketball games, totaling fifteen points in track, or playing in half the quarters in football. These boys are organized into the Howe Lettermen's Club. Officers this year are Bill Locklear, president; Hugh Moreillon, vice-president; Tom Barnes, secretary-treasurer; and John Yoder, sergeant-at-arms. Their main activity of the year is a dance sponsored in cooperation with the G. A. A. at Christmas time. To these boys we owe Howe's success in athletics.

Boys hold no monopoly on sports here at Howe. The Girls' Athletic Association sees to that. Every Tuesday the girls' side of the gym is just buzzing with activity where the sports-minded gals of Howe meet. Ping pong, basketball, and volleyball tournaments are just a few of the events held each year. A competitive gym meet is also on the program. Every female at Howe is required to take a certain amount of physical education. Any Tuesday after school (when there are no teachers watching) just open the door to the girls' gym and get an eyeful of the activities of the gal athletes.

Sports participation is not open solely to those experts who represent the banner of Howe in contests with other schools. Here at Howe every boy has his chance to attain athletic stardom. Each physical education class is divided into seven or eight squads. In each squad there are usually from six to eight boys. There are three sports in the intramural sports program including football, basketball, and track. In football and basketball the winning squad from each class engages in a tournament after school, with the frosh and upperclassmen being separated. In track the situation is entirely different. Each year the first week in June there is an intramural track meet. Any boy is eligible who has not participated in a varsity or freshmen track meet.

In each class qualifications are held and two boys represent each class in each event except in relays where one team represents a class. No boy may enter more than three events. As in the other sports the freshmen and upperclassmen events are run separate. The individual boys who win places are awarded ribbons.

Although the war is over our physical education department, represented by Mr. Bowman, Mr. Kelley, and Mr. Yeager, still maintains a rigid program, stressing physical fitness. The students go through a regular program of exercising, rope climbing, pushups, chinning, and tumbling. All is not work, however, as basketball, football, and volleyball add a lighter touch. All these factors contribute toward making Howewites the healthiest in town.

Life is organized; so, at Howe we prepare for creative living by learning to work and play with our fellowmen through participation in clubs and organizations. By this means our classroom activities become keener tools with which to work out our future careers.

"Curtain going up!" is the pet phrase of the members of the Footlight Revelers Club, who, under the direction of Mr. Darrel Gooch, satisfy their desires to become first ladies and men of the theater by giving an annual spring play, their latest production being, "You Can't Take It With You."

New to this year's club list is the Debate Club, sponsored by Mr. Darrell Gooch. The purpose of this club is to give interested students the experience of presenting and defending their opinions in public matters.

The Cheerleaders Club is for all aspiring young cheerleaders whose ambition is to lead the yells of their school at the basketball and football games. They are instructed by Mrs. Marjorie Armstrong, Miss Jean Westphal, and Miss Betty Barbee.

The Latin Club presents each month a forum showing some phase of Roman life. These forums are directed by Miss Thelma Cooley and Miss Narcie Pollitt and have enacted such things as a Roman trial, an oracle (shown at right), and a Christmas Saturnalia.

The students enrolled in the Spanish Club, in an effort to further a better understanding of the people and customs in South and Central America, write to pen pals in these countries and receive many interesting letters in reply. They also take part in a Spanish assembly, and plan a Christmas party. Miss Elizabeth Smith is the club sponsor.

"Comment allez-vous?" If you don't understand this phrase, just ask a member of the French Club for a translation, for, tutored by Miss Narcie Pollitt, he has learned many conversational and idiomatic expressions. The club members also correspond with students in France.

Also, this senior group and the Hi-Y Club sponsor the dances in the school gym after basketball games.

The Science Club is open to all students interested in scientific projects and problems. The members of this organization, under the supervision of Mr. William Smith, have carried on many unusual experiments in dissection, in counting and identifying blood cells, and in microscopic observations. The students pictured at right took part in the open house demonstration of the Science Department last fall.

The members of the Junior Historical Club make an attempt to study some of the history and background of Indiana and to view and enjoy historic sites of their state. They have heard an interesting talk on slavery in Indiana and an illustrated lecture on China and India. An all day outing to Spring Mill State Park and the starting of a history of Howe under the supervision of Mr. Hartwell Kayler were also projects of the club.

Special vocal honors belong to the nine boys and nine girls who make up the Howe Ensemble. These students are chosen from the Choir. They sang in the Pleasant Run Review this year, besides separating into two groups to sing for assembly programs, churches, and American Legion, and lodge meetings. The group is led by Mr. Frank S. Watkins.

Their true appreciation of music is a quality common to the members of our Music Club. The club, open to all students interested in music, is sponsored by Mr. John W. Shepard.

The group contains vocal soloists, and special instrumentalists, who play for the meetings.

After hearing our Howe Orchestra at the Open House in the fall, we all agreed it had gone far toward achieving the high musical goals set up by Mr. John W. Shepard, director.

The Orchestra has played for the annual spring festival, the Senior class play, and the Footlight Reveler's play. The members also participated in the city-wide orchestra festival, and have frequently given performances for Parent-Teacher meetings, assemblies, and Vespers.

The members of the Orchestra are trained in the Intermediate String Class.

Led by the drum major, Dick Sharkey, and the majorettes, the smartly clad members of our band march at all Howe football games.

The majorettes leading in the formations are Barbara May, Joan Stevenson, Paula Cherry, Dorice Smith, Claire Vestal, Betty Payton, Joan Goodwin, and Alice Fath.

Under the direction of Mr. Robert H. Burford, the band has given performances for Parent-Teacher, and lodge meetings, Open House, Commencement, and assembly programs this year.

A group of selected members played for the Pleasant Run Revue this year. The Brass Ensemble provided musical programs for neighboring grade schools, radio broadcasts, and the Organ Guild.

Dear Ruth,

I am very glad to have had the privilege of meeting you. I have enjoyed every minute of our friendship. I really hope that we will meet again next year and have more of the joy we have had in the past. I want to wish you more luck and success in the future.

a Biss. pal,

Elia Benson

The paper we all anxiously await, our bi-weekly Howe Tower, is born amid the confusion of the Tower room. Under the supervision of Miss Elizabeth Smith, who replaced Miss Betty L. Williams as sponsor of our staff at the beginning of the semester, it is sent to press by the editors, reporters and copy readers.

The reporter writes the stories, and they are checked and proofread by the copy readers. The page editors plan their pages, fit the copy into the planned dummy, and vary make-up of the paper.

Our budding journalists are required to have a semester of Journalism, English IV], where they learn the fundamentals of news writing.

The News Bureau is a group of eight people who keep the city and county papers informed of the activities of Howe. These students are chosen from the Tower and Hilltopper staffs, and send stories to their various papers at least once a week.

Dear Ruth,  
You've been a swell  
health buddy. I'll see  
you next year. Have a nice  
time this summer.  
Thank you,  
Norma Clark

Have you wondered how this book came about, who worked on it, and for how long? The Hilltopper staff, fourteen members in all, with the help of their sponsor, Mrs. Mary Diaz, started in the spring of 1946 to shape the Hilltopper.

Under the supervision of the Editor and Associate Editor, the Senior, Club, Home Room, Sports, and Activities Editors wrote the copy, mounted pictures, and typed identifications. The business managers took care of finances and publicity. The pictures were ready to be sent to the Indianapolis Engraving Company by February 7. When they were returned, the pictures and the copy were sent to Clarence E. Crippin and Son to be printed.

Credit for the photography goes to the Ramos-Porter Studios, and Mr. Russell R. Benson.

The members of the staff were selected after filing an application, and submitting a layout of their respective departments. They were also required to have a semester of journalism.
